**SUBJECT : RECOMMENDATION LETTER FOR THE ALTERNATE ANGLE ACADEMY
– FINISHING SCHOOL PROGRAMME.**

Dear Milind & Snehal ,

Congratulations on this great initiative - The Alternate Angle Academy !

"The commitment and diciplined process with which AA conducts their architectural practice is worth observing and learning from. Their vision to launch AAA with the Finishing School Programme, is a very positive initiative towards helping fresh architectural talent to gain exposure to various aspect of professional architectural practice. The course structure as envisaged by the founders of AAA will help young architects to gain a feel and develop the fundamental view of the architectural practice in a short time span and set the platform for them to launch their career. "

Yours faithfully,

 

(DEVANG SUTARIA)
